ABOUT

Onward Technologies Ltd. was founded by Mr. Harish S. Mehta in 1991 and is currently being led by second generation entrepreneur, Mr. Jigar Mehta. Onward is headquartered in Mumbai, with sales offices in Chicago, Detroit, Cleveland, Toronto, London, Frankfurt and Amsterdam, and also has design and development centers located offshore in Mumbai, Pune, Chennai and Bengaluru. With more than 2,400 employees throughout India, US, UK & Europe, the company boasts of a young and dynamic team with a razor-sharp focus on customer & business excellence, led by an experienced management team.

The company is a leading player in Digital and ER&D (Engineering Research & Development) Services including but not limited to Embedded & Electronic Systems, Engineering Technology, ADAS, Data Analytics, Cloud & DevOps, Artificial Intelligence (AI), and Machine Learning (ML). It is focused on serving fast-growing global companies in primarily 4 industry groups - transportation & mobility, industrial equipment & heavy machinery, medical devices, pharma & healthcare, and hi-tec industry domains. Over the years the company has built an enviable base of marquee Global 2000 customers. With the changes occurring in the global manufacturing space, Onward Tech enables companies to become more dynamic, flexible, and efficient while optimising costs significantly. Onward Tech's flexibility in business and engagement models provides their clients with agility and significant cost-efficiencies.

Over the last few years, the company has gone through a major transformational journey to get back on the growth path and have been able to generate robust cash flows to become net debt free. Recently, the company raised growth capital from a private equity fund, Convergent Capital. The future growth strategy of the company is to focus on high margin business in Digital Engineering and ER&D Services space by investing in capability development, winning larger deals by strengthening existing client relationships & acquiring new customers in target markets of North America and Europe.
